

## **ELWHA WATER TREATMENT PLANT (EWTP)**

Vicinity and Project Overview .....	2
Legend and Abbreviations .....	3
EWTP JARPA Data .....	4
Attachment – DOE Approval Letter for the use of PAC .....	10
Plan View Figures:	
1. Plan View of Slurry Outfall and Vortex Weir .....	14
2. Plan View of Effluent Outfall, North Waterway Dredging, and Industrial Channel Apron .....	15
3. Plan View of Industrial Channel Divider Dam, Industrial Channel Fill and Riprap, wetland Dam and Flow Control Weir, and Storm Water Outlet Control Structure .....	16
4. Plan View of Effluent Pump Station .....	17
5. Plan View of Southern Portion of Site Relationship to EWSI and Crown Z Road .....	18
Cross-section Figures:	
1. Cross-sectional view of Slurry Outfall and Vortex Weir .....	19
2. Cross-sectional View of North Overflow Structure, Industrial Channel Divider Dam, and Effluent Outfall .....	20
3. Cross-sectional View of Industrial channel Fill and Riprap .....	21
4. Plan and Cross-sectional View of Wetland dam and Flow Control Weir .....	22
5. Cross-sectional View of Industrial Channel Apron Extension .....	23
6. Cross-sectional View of Influent Pump Station Piping .....	24
7. Cross-sectional View of Storm Outlet Control Structure .....	25
8. Stormwater Outlet Control Structure .....	26
